**ACTION ITEMS:**

A21: Karin will discuss further with Amy, in order to have a program in shallow water for harvesting. Status: ongoing. Latest update: Bob Paterson said he would follow up on shallow water pulling.

A42: Ginny to add to the Activities List: submit people to be invited to the volunteer luncheon in August.

A48: Amy L. will send an email to Bob Wolff to see if there has been any progress on whether the notice language can be changed. – ongoing

A50: Ginny to talk to Alison about how to link about the fertilizer use info to web the site. – ongoing

A51: Ginny to draft a letter to the editor re: fertilizer. Spring. (Also for native plants.)

A52: Amy L. to get clarification from the Dept. of Agriculture on why so much sampling was done without notice. Ongoing

A55: Karin will organize making 150 markers.

A56: Al to work on projected treatment list.

A57: Amy will get in touch with Solitude (ACT) to update on the tax map. Supposedly the same players are involved at Solitude.

A58: Initiate grant application for Lake Host program - Karin to ask Paul Ardito about this.

A59: Spring newsletter: will go out in late may. Cutoff date is mid may. Scott suggested this is a good idea because it's contact with our wider summer audience. Scott will draft something.

A60: Bev to update the website.

A61: The committee will review metrics and QC data in order to complete the vendor comparison plans. Plans will include evaluating OSHA compliance.

A62: Homework for everyone is to email Ginny about any boat launch we know of and any rangeways. We will try to ask the state to provide us with a list of the private launches. Our target is high usage ramps. The committee should also email any Lake association names and contact info to Ginny
