ACTION ITEMS:

A21: Karin will discuss further with Amy, in order to have a program in shallow water for harvesting. Status: ongoing. Latest update: Bob Paterson said he would follow up on shallow water pulling.

A42: Ginny to add to the Activities List: submit people to be invited to the volunteer luncheon in August.

A48: Amy L. will send an email to Bob Wolff to see if there has been any progress on whether the notice language can be changed. – ongoing: Amy will start with Amy S. She will also discuss with Pete B. Long term.

A50: Ginny to talk to Alison about how to link about the fertilizer use info to web the site. – ongoing

A52: Amy L. to get clarification from the Dept. of Agriculture on why so much sampling was done without notice. Ongoing

A55: Karin will organize making 150 markers.

A56: Al to work on projected treatment list.

A62: Homework for everyone is to email Ginny about any boat launch we know of and any rangeways. We will try to ask the state to provide us with a list of the private launches. Ginny to look. (Scott, Al)

A63: Teresa Eichhorn is compiling a list of Lake Associations

A64: Ginny will put our milfoil tri-fold board up on an easel at the town hall with milfoil pictures and contact information.

A65: Amy is to put together a "how-to-use" card for "My GPS Coordinates Pro". The weed watcher will need to indicate what level of milfoil density they are seeing.
