

Neighborhood Work Party & Public Meeting

YOU ARE INVITED!

**Saturday, May 11, 2013
9:00 A.M. – 1:00 P.M.+**

States Landing Roadway, Beach, Park & Boat Ramp Facility

Over the winter the Town has been working on finalizing the States Landing Road design and how it might proceed with some of the improvements suggested for the States Landing Park & Boat Facility.

Step 1 will precede the May 11th event and be a “controlled burn” by the Town’s Fire & Rescue Department. This helps to clean out low undergrowth that ticks and other insect live in. The date for this is weather dependent and a public announcement will be made the night before by means of CodeRED. If you have not yet signed up for this service please go to www.moultonboroughnh.gov, click on the [CodeRED](#) button on the upper right hand side and follow the directions from there. If you do not have computer access you may obtain an application at Town Hall or by calling 1.603.476.5658, and asking for one to be mailed to you.

Step 2 will be a **Neighborhood Work Party & Public Meeting from 9 A.M. to Noonish on May 11th** at which time we will have a lunch of hamburgers and hot dogs, chips, and drinks prepared by Town officials. **At that time we will have a conversation with the Town Engineer and Town Staff on the States Landing Road project and short term and long term improvements for the entire beach and park area.**

Please bring, if you have them, your work gloves, garden and lawn rakes, pointed and flat shovels and loppers, and - if possible - a folding chair for the Chat & Chew lunch/design portion of the day.
