

Boat Registration Fee Explanation:

You now have a choice to allow the town instead of the state to retain the local boat fee. These fees add up to several thousand dollars. If you would like to register your boat with the town, you can mail the boat registration forms you received this winter to the Moultonborough Town Clerks office or stop in.

1. Look at the bottom of the form where it says Total Due DMV and add a \$5.00 state required municipal processing fee to the total due. (per RSA 270-E:5c) You may make out one check to the Town of Moultonborough.
2. If you want to renew through the mail please enclose a stamped self-addressed envelope where you would like it mailed. Please send the SASE envelope, town check along with the state renewal sheets or a copy of last years registration to Moultonborough Town Clerk's Office, PO Box 15, Moultonborough, NH 03254 or stop in the Town Clerks Office.
