

Moultonborough July 2011 Mapping

Legend

-  September 2011 Herbicide Treatment- 20 acres to date
-  July-August 2011 DASH

0 0.05 0.1 0.2 0.3 0.4
 Miles

Mapping only west of yellow line to date
(barring Balmoral). DASH sites are suggested
based on lower density of plants but they do cover
wider areas. If divers think
areas are too big or thick they can be changed
to treatment areas.
