Extension of final action

September 10, 2009

Mr. Kasprzyk,

Following submission of your request for an extension of final action for the recording of the Boundary Line Adjustment Plat and submission/recording of the deeds for the two (2) parcels, the Planning Board voted by a vote seven (7) in favor (Ryerson, Charest, Bakas, Taussig, Coppinger, Nelson, Jensen), none (0) opposed to **GRANT** your request for an extension of 120 days from the date of this meeting.

The new deadline for final action on the above items is **January 25, 2010**.

If you have any further questions or would like to discuss this matter further, please feel free to contact Daniel Merhalski, Town Planner, in the Land Use Office at anytime.

Sincerely,

Judith A. Ryerson
