

How can we encourage/support/advocate for Senior Support?

How can we encourage/support/advocate tourism/vacation? (Business advocacy)

Enable/support/incentivize Cottage Industries (Broadband)

Appropriate location look at lot sizing (density)

I.D. where this is appropriate (zoning districts)

Cottage size housing (appropriate size, price, location, layout) [replaces terms such as senior, workforce, affordable housing]

Village(s) future

Attract business (Broadband)

Town Build & Pay for minimal required infrastructure while incentivizing private construction (Be mindful of keeping taxes low)

Enable/support/incentivize Accessory dwelling units

Enable/support/incentivize community septics/community wells in village nodes
