**COMMUNITY DEVELOPMENT
ADVISORY COMMITTEE**

Informational Presentation for the two Warrant Articles Relating to a new Community Center and a New Recreational Center

This presentation will occur this Saturday February 22, 2020, between 10 AM-12 PM at the Community Center (Old Lions Club) on Old Rt 109.

We will host an informational presentation for each plan with a review of:

1. Why this project is needed
2. Review the plans and details of construction
3. Timeline for implementation
4. Cost impact to the tax rate, short and long term.

The purpose of this session is to try to answer concerns and more fully inform the voters. We would, as much as possible, avoid folks walking into Town meeting with little information.

All are invited to attend and participate.
