

MEMORANDUM – OFFICE OF TOWN ADMINISTRATOR

TO: Board of Selectmen

FROM: Carter Terenzini
Interim Town Administrator

RE: Weekly Report

DATE: November 18, 2024

Carter

The following report from town departments provides an update for the Board of Selectmen on the various programs, initiatives, projects, and upcoming events.

Administration & Finance

Interim Town Administrator:

Business Session:

VI. A. With action taken on the two administrative support positions, we remain with a decision to be made on how to best proceed and establishing what you are looking for in the next person, as:

- 1.) Open Recruitment: Using a recruiter such as [MRI](#) (they can do all or portions of the task such as just the advertising or just the profile or just the background checks);
Or
Using an initial screening committee (such as done during my time for Police Chief (Weatherbee); Assessor (Karp); and Planner (Woodruff);
Or
SB supported by Staff
- 2.) In-house posting: Do a brief posting (say two weeks) to see if you have any in-house candidates. Warning: This can leave applicants who feel overlooked in a poor mind-set.
- 3.) Targeted Approach: Perhaps you know someone, or have read of someone, you think might be a great candidate due to their knowledge of the community and organization, personality, or perceived ability.
- 4.) Intern/Fellow: This involves the recruiting of a graduate level intern or a so-called “fellow”.

Given I believe the holiday season to be “dead time” for recruitment; I am hoping we can use the time period between now and January 1 to refine the job description and recruitment process that we might commence the search with the new year.

VI. B. I have made contact with the DES Chief Engineer concerning the possible donation of land on Lake Kanasatka. I hope to hear from him in the near future. I wrote ConCom on a parallel course to ask of their interest in accepting this land and willingness to commit \$750 of its funds to the title search.

Weekly Activities: In addition to the agenda item progress, I worked with the Tax Collector, and we have reviewed a list of 27 parcels of tax deeded land which have now “timed out” and are available for disposition. Of these parcels, there are eleven that we believe may be of interest to the ConCom and one that might also be of interest to provide public access to Wakonah Pond. While a thirteenth parcel is along a water body, we propose to retain it for highway purposes allowing for any potential realignments which might need to occur in that area. Two of the parcels appear to be buildable if merged. The remainder appear suitable for sale as standalone properties. Since this appears to be your first sale of lands since the *Polonsky v Town of Bedford* (NH Supreme Court) and *Tyler v Hennepin County* decisions (US Supreme Court) I have reached out to Counsel for advice on how we must proceed. That advice may also require a rewrite of Policy 19 with respect to the disposition of Town lands. I met with the DPW Director and Transfer Station Supervisor at length to review the engineering report and participated in interviews with the Finance Director candidates. Budget reviews continued. I met with Max Hoene to review how the Nature Trail has developed to date. It appears he had generally spearheaded it until a few months ago when a three-person subcommittee of the ConCOM was established. We spoke of the fundraising and community awareness needing not only a larger group but one of sustainable energy. Toward that end he is pulling together his working group of ConCom and staff members to try to determine the best set of interested parties to reach out to and invite them to a large group session to brief the project and try to determine community interest. From there he will assess the longer-term viability of the project and from that the best manner of fundraising and administration.

Department of Public Works

Facilities/Grounds: The facilities and grounds crew removed the boat ramp and docks at Long Island and Lees Mill. A broken door on the oven at the Lions Club was repaired, tables and chairs moved for the floor to be stripped and waxed. Reset granite block at Lee Cemetery. Lawn mowers and picnic tables put away. Library called with no heat, it was reset and gave time for the building to warm up. Holes were dug for the installation of the sign on east side of town, by the police department and the school. A cremation burial in Shannon cemetery. Weekly building checks were completed. The park, Neck Fire House, Town Hall, Transfer Station, and Recreation Center were cleaned up.

Fleet: The mechanics installed tarp arms on truck 9. Batteries changed in truck 7 and a spinner was installed, cleaned up and reset on spot chain system and air valve. Winter equipment was worked on. On truck 15 hydraulic system was set up to check the sander. Work orders were entered. Replaced def fluid line and reset the system in truck 15 and fluid film to chassis. Onspots installed in truck 9.

Highway: Road checks completed. Salt was delivered and pushed up. The wood chip trailer was loaded 3 times this week. Tires on truck 15, 24,5 and 7. Trees chipped on Alpine and Kona Farm Road. The pole barn was cleaned out. A/Cs were put away and the shop was cleaned. Plates were removed from truck 6 and 7. Sander chains were greased. Spinner put on truck 7. The highway crew is preparing trucks for winter.

Update: On damage to fire boat, a claim has been filed with Primex and a claims adjuster from Northern New England Appraisals has inspected the damage and approved for the boat to be sent to a marina for an estimate of the damage. Both outboard motors were found to have significant damage and minor damage to the keel/hull found as well. The estimated damage total is

\$61,564.28, this encompasses replacement of both 12-year-old motors and controls and repairing the damage to the hull.

Burning Permits: Fire danger conditions are running between Moderate to Very High. Residents should remain cautious as wind and dry leaves and grass can easily aid in rapid fire spread. The Daily Fire Danger notifications can be obtained at <https://www.nhdfldncr.nh.gov/forest-protection/daily-fire-danger>

As temperatures dip, residents should use caution when dumping their fireplace and woodstove ashes outside. Ensure that no hot coals or embers remain. Wet down ashes after dumping them. Dump ashes at least ten or more feet from any buildings.

Fire Permits may be obtained at the Public Safety Building located at 1035 Whittier Highway or online at www.NHFirePermit.com. Or a <https://nh.burnsafeamerica.com/>.

Rental property owners are reminded that fire permits are issued to the person, not the property. Renters will need written permission of the property owner to kindle fires on the property being rented. The renter will need to obtain a fire permit for the period in which they are renting the property.

Moultonborough Recreation Department

Save the Date! Moultonborough Recreation and Moultonborough Public Library have teamed up to offer a fun, festive and free holiday event! Dinner, Delights and Holiday Lights will take place on Friday December 13, 5:30-7:00 pm at the Moultonborough Function Hall. Join us for dinner from a variety of crockpot dishes and soups with dessert goodies to follow. Play some Happy Holiday games and take some festive photos in our snow globe. Enter your name in the drawing to light the holiday tree in the gazebo! An evening of free festive fun! Call MRD for more info. 603/476-8868.

Totally Toddlers is returning! This drop-in program at MRD is a great way for our youngest community members to play, explore and socialize while their trusted adults share stories and ideas.
