

MEMORANDUM – OFFICE OF TOWN ADMINISTRATOR

TO: Board of Selectmen

FROM: Carter Terenzini
Interim Town Administrator

RE: Weekly Report

DATE: June 30, 2025

Carter

The following report from town departments provides an update for the Board of Selectmen on the various programs, initiatives, projects, and upcoming events.

Administration & Finance

Weekly Activities: All of the closing documents have now been mailed to all of the high bidders on the Tax Deed sale and a return of the deposits to the unsuccessful bidders are in process. There are two wrinkles; one adjacent property (which has to be merged) is actually owned by three persons in addition to the high bidder so we need additional signers and several of the parent parcels properties have mortgages. The statute requires the assent of the mortgagee so we are trying to develop a workaround if they should not assent to the merger in order to ensure your policy objectives are being met. Alanna has developed a step-by-step guide for anyone else who might have to list surplus property on Municibid and we are having an inexperienced staff member do a dry run using that guide to finalize that SOP.

Finance: Worked on year end.

Department of Public Works

Facilities/Grounds: The grounds crew continues to do weekly building checks along with trash and recycling pick up. Mowing and trimming of cemeteries and town properties. The water softeners serviced. Long Island beach cleaned. Scrap and batteries disposed of in Bristol. 3 picnic tables placed at Long Island. Meeting with East Coast Foundation at States Landing for the pavilion. Pickleball and tennis courts leaf blown. The new signs for States Landing were installed. A trench was dug for the generator at States and pipe was installed. The Commercial cooler at the Function Hall was removed and a new one was replaced. Water picked up and delivered.

Fleet: The mechanics addressed the road call to the Public Safety Building for 15-r-2 and inspection. Running issue in car 182 and coolant loss. Replaced left side tailgate air can on Truck 7. Wood chip trailer loaded. Truck 9 turbo issue was diagnosed. Swamp coolers set up in the shop. Replaced 15-R-2 rear brakes and snake oil treatment. 600 zero turn not able to engage was addressed. Truck 7 glade hands broke off and replaced.

Highway: The highway crew worked on States Landing sitework. Material was hauled in. Stone picked up from Robinsons. Drainage fixed on Ossipee Mountain Road. Ditching and spraying poison ivy around the culverts. Concrete blocks moved to stone bins. Frost posts picked up for the pavilion.

Transfer Station: This week we shipped out 3 containers of municipal solid waste = 36 tons, 3 containers of single stream recycling = 15 tons, 9 containers of construction and demolition = 45 tons and 2 containers of scrap metal. The brush pile was burned, compost pile was turned, and 12 cubic yards of foam were recycled. Vehicle counts: Monday 602, Tuesday 588, Friday 788, Saturday 561, Sunday 492 total vehicles served 3031 = 85 per vehicle hour.
