|-------------------------------------|--------------------------|
| • LP Above Ground Tanks & Piping: | 8 inspections conducted. |
| • Place of Assembly Inspection | 2 inspections performed. |
| • Supra Box Installation/Inspection | 1 install performed. |

Operations:

- 7/15 Quad-town water rescue training incorporating fireboats from Center Harbor, Sandwich, Tuftonboro, and Moultonborough took place at States Landing Beach. Personnel practiced rescuing injured patients in the water and getting patients out of the water and onto rescue boats.

- 7/20 Moultonborough firefighters and Stewart's Ambulance were dispatched to three incidents on Lake Winnepesaukee. All three incidents triggered automatic mutual aid incorporating responses from Center Harbor, Meredith, Gilford, and Tuftonboro along with Marine Patrol. The first incident at 6:13AM was for a personnel watercraft floating without a rider between Cook's Point and Norway Point. This was found to be a PWC that was dislodged from its mooring. The PWC was towed to Trexler's Marina at the direction of Marine by Meredith's fireboat.

At 12:59 firefighters and Stewart's were dispatched for an incident off Ministers Island for a swimmer that had not surfaced. While en route information was received that the swimmer had been found, and CPR was in progress. Again, multi-town automatic mutual aid was employed with Marine Patrol, Meredith, and Gilford boats arriving on scene first. The patient was transported to Senter Cove by Meredith's boat for transport to the hospital in Laconia by Stewart's Ambulance with two Moultonborough firefighters onboard aiding resuscitation efforts. The patient was declared deceased at the hospital. The incident is under investigation by Marine Patrol.

The third incident occurred at 7:40PM, a boat struck rocks around Gun Island and was leaking fuel, no injuries were reported. Moultonborough and Tuftonboro fire boats responded with Marine Patrol, Stewart's stated at the docks at Lee's Mills. Upon arrival, Marine Patrol had evacuated the occupants to a MP boat, the fluids leaked were a small amount of gear oil from the lower unit and not gasoline. Marine Patrol was staying with boat until Sea Tow arrived, Marine Patrol transported occupants back to their dock. No fire department action was required.

All three incidents employed Moultonborough's automatic mutual aid plan designed to get help there fastest from the closest source regardless of the town. No injuries to fire personnel were reported. Boat 2 was placed out of service temporarily for an electrical issue which was repaired this morning.

Burning Permits:

What is a Category 1 fire?

"Category 1 Fire" means a small, controlled fire, such as a camp or cooking fire, no greater than 2 feet in diameter contained within a ring of fire resistive material or in a portable fireplace, except for public & private campgrounds or picnic sites, located at least 25 feet from structures.

A Category 1 fire, conditions permitting, may be kindled with a permit at any time or day whether it is raining or not.

How to obtain a fire permit:

Fire Permits for 2025 may be obtained at the Public Safety Building located at 1035 Whittier Highway or online at www.NHFirePermit.com. Or a <https://nh.burnsafeamerica.com/>

Fireworks:**Statewide Rules**

- Age Requirement: You must be at least 21 years old to purchase, possess, or use fireworks.
- Where You Can Use Them: Fireworks may only be used on private property that you own, or with the landowner's written permission or presence. Town beaches, parks, and boat launches are off-limits.
- Types Allowed: Legal fireworks include items like fountains, roman candles, sparklers, ground spinners, and reloadable mortars. High-powered explosives like M-80s, cherry bombs, and large aerial shells are illegal and prohibited.
- Retail Sales: Fireworks must be purchased from licensed New Hampshire retailers. Bringing fireworks in from out of state is prohibited.

Town Restrictions:

Town Ordinance limits the use of "consumer fireworks" to the hours between 12 noon and 10:00 pm. Exceptions are two holidays, as recognized by the Town: (1) the 4th of July: limit use to 12 noon to 12 midnight; (2) New Year, limit use to 12 noon and up to 15 minutes past midnight of the holiday.

Liability:

People displaying can be held liable in any civil action for damages to another's property. In other words, you can be sued for using fireworks and sparks, embers and debris falling onto property that is not yours.

The Town of Moultonborough Alerts!

Emergencies happen when we least expect them, and staying informed is the key to keeping your family safe. The Town of Moultonborough offers real-time emergency alerts via text, email, pager, or even voice calls in extreme situations—so you are never left in the dark when it matters most.

With many households moving away from traditional landlines, registering your contact information ensures you receive crucial updates when they happen. Whether it is an emergency evacuation, shelter-in-place order, boil water advisory, or major transportation disruptions, this system will provide timely notifications to help you respond effectively.

Signing up is easy and free—do not wait until disaster strikes. Be proactive and stay connected to vital updates today!

The system is intended to be used for emergency alerts, as well as non-emergency incidents that may have significant impacts on residents. Emergency Alerts could be related to specific hazards that require some kind of action be taken such as evacuation, shelter in place, boil water orders, etc. Non-emergency alerts could include significant transportation problems with prolonged impacts or significant ongoing police or fire activity. This list is not meant to be all inclusive and demonstrates that this system will not be used for routine information. In addition to receiving

information on your wireless device, you may also receive notification on your land telephone line (if you have one) depending on the type of incident or event.
