

MEMORANDUM – OFFICE OF TOWN ADMINISTRATOR

TO: Board of Selectmen

FROM: Angela Bovill
Town Administrator

RE: Weekly Report

DATE: December 1, 2025

The following report from town departments provides an update for the Board of Selectmen on the various programs, initiatives, projects, and upcoming events.

Administration & Finance

Weekly Update: Last week was shortened due to Thanksgiving, but I continued with daily operations and personnel matters. I have begun drafting the warrant article as a working document in preparation for upcoming deadlines related to the 2026 Town Meeting, scheduled for Saturday, March 14, 2026, at Moultonborough Academy. The Board of Selectmen will review capital items with ABC and CIPC at their regular meeting on Tuesday, December 16, 2025.

Finance: I was off last week... however I worked on the final numbers for the CBA with Angela on Wednesday and Sunday.

Department of Public Works

Facilities/Grounds: Last week the facilities and ground crew set up posts for plowing at the Town Hall as well as putting out shovels and salt for town doorways. In addition, a wall was built and painted at the Town Hall. A Christmas tree was set up for the Police Department. The ice rink was cleaned off fall debris. A paper goods inventory was taken for future ordering. At the Shannon Cemetery a Cremation Burial was opened and closed.

Fleet: The mechanics repaired the steering box and lines in truck 7. Truck 3 DPF system was worked on as well as the exhaust installation. The forklift at the Transfer Station blew a hydraulic line. Truck 6 hydraulic control issue was addressed fixing bad valves. Car 241 battery issue was repaired.

Highway: The Highway crew split firewood and loaded woodchips. The pole barn was cleaned as well as around the garage. Trucks were set up with plows, sanders, and wings. Waist oil was pumped. Leaves were blown off the roads and out of ditches around town and rocks were marked on a plow route. Roads were plowed and treated after the weekend snow event.

Transfer Station: Nothing reported.

Operations:

Throughout this week, Moultonborough firefighters attended advanced airway training in Center Harbor and at the Public Safety Building focused on Rapid Sequence Intubation (RSI) to strengthen coordination with Stewart's Ambulance paramedics who are certified to perform this procedure. RSI is used to place a breathing tube in critically ill patients who still have airway reflexes—such as those experiencing traumatic head injuries, strokes, or severe respiratory distress—and requires a highly practiced team approach to ensure patient safety. By participating in joint training, Moultonborough personnel are better prepared to assist Stewart's paramedics during these complex, high-risk interventions, helping improve outcomes during some of the most serious medical emergencies in our community.

The training included hands-on instruction from FF/RSI Paramedic Andy Cartier and Paramedic John Burdette of Stewart's Ambulance mirrored the regional standard of regular practice, case review, and continuous quality improvement. Although only a few agencies in the Lakes Region are authorized to perform RSI including Stewart's Ambulance, Laconia, and Tilton-Northfield the support role played by assisting fire departments is critical. By staying proficient in RSI assistance skills, Moultonborough firefighters enhance interoperability with their EMS partners and ensure that patients receive the highest level of prehospital care possible, especially during long transports to advanced medical facilities.

Burning Permits:

Fire permits are now being issued again. Fire permits can be obtained at the Public Safety Building and online at NHfirepermit.com.

Per Administrative Rule Res 5601.02, A fire permit shall be required for all open burning when the ground is not covered by snow. "*Ground covered with snow*" means the area within a 100-foot radius from the fire edge is covered with snow or other frozen precipitation sufficient to prevent the combustion of woodland fuels until the fire is completely extinguished.

The Town of Moultonborough Alerts!

Emergencies can strike without warning—and when they do, having accurate, timely information is critical. That is why the Town of Moultonborough offers a reliable emergency alert system that keeps you connected when it matters most.

This system delivers real-time notifications straight to your phone, email, pager, or even via voice call in urgent situations. Whether it is a shelter-in-place order, evacuation notice, boil water advisory, or significant traffic disruption, you will receive the updates you need to make informed decisions and protect your loved ones.

As more households move away from traditional landlines, it is more important than ever to register your current contact information. Signing up is easy, free, and ensures you will not miss critical alerts—emergency or otherwise.

In addition to urgent situations, the system may also provide non-emergency alerts about significant police or fire activity, or other events that could impact your daily life. Routine information will not be sent—only messages that truly matter.

Do not wait until disaster strikes. Take a proactive step toward safety—sign up for Moultonborough's emergency alert system.
