

MEMORANDUM – OFFICE OF TOWN ADMINISTRATOR

TO: Board of Selectmen

FROM: Angela Bovill
Town Administrator

RE: Weekly Report

DATE: January 26, 2026

The following report from town departments provides an update for the Board of Selectmen on the various programs, initiatives, projects, and upcoming events.

Administration & Finance

Weekly Update: Last week, the Board of Selectmen held its regular meeting on January 20, 2026, followed by the second public hearing on January 23, 2026, regarding the potential acquisition of 81 Whittier Highway. These meetings provided residents with an opportunity to offer feedback on the proposed purchase. If approved at the 2026 Town Meeting, the acquisition would be funded using unassigned fund balance and existing capital reserve funds and would have no impact on the tax rate.

I would like to extend my appreciation to the Board of Selectmen, department managers, and staff who worked diligently to compile detailed information and prepare a clear, factual presentation for the community. Your attention to detail and commitment to transparency helped ensure residents received accurate information and meaningful opportunities to participate.

We also sincerely thank the residents who attended, asked questions, and provided input. Both public hearings were conducted respectfully, and your thoughtful engagement is greatly appreciated. The presentation is available on the Town's website and may also be viewed via the Town Hall streams for those who were unable to attend or who wish to learn more.

As we continue through budget season, please note that a public hearing is scheduled for Tuesday, February 3, 2026, at 5:00 PM at Town Hall to review proposed warrant and budget items and receive public input.

Finance: This week I completed payroll, worked on payroll accruals, researched and supplied auditors with requested information. Worked on annual reports and account reconciliations for all escrow accounts.
