

MEMORANDUM – OFFICE OF TOWN ADMINISTRATOR

TO: Board of Selectmen

FROM: Charles F. Smith, MPA
Town Administrator

RE: Weekly Report

DATE: November 30, 2021

The following report from town departments provides an update for the Board of Selectmen on the various programs, initiatives, projects, and upcoming events.

Administration & Finance

Town Administrator: Important update regarding setting the towns 2021 municipal property tax rate. NH Department of Revenue (DRA) approved the towns School Administrative Unit (SAU) #45 – Moultonborough School District, MS – 25 form (School Financial Report). Approval of this form opened the towns preliminary tax rate setting with DRA. Our Chairman of the Board has scheduled a meeting for Tuesday, November 30, 2021 at 4 p.m. in Town Hall, at which the Selectmen will vote to finalize this year's property tax rate. As mentioned last week because finalizing the tax rate is later than in the past, tax bills will be sent out late and due later than usual. Therefore, as part of this week's report, I am resending last week's message from the Tax Collector about submitting payment.

If your payment is postmarked (or paid online) within the year 2021, that will be reflected when your payment is received and posted to your account. If you escrow your taxes, your mortgage company will likely show your taxes as paid when they disburse funds to a large tax service. These services send payments to the town within two weeks of the due date. While your escrow statement will show taxes as paid, if they do not show online as being paid at that same time, rest assured the funds are on the way.

Prepayment of taxes is an option as well. While we do not know the tax rate, you can estimate based on previous tax bill what your amount may be. When the bill file is ready, all credits/prepayments are reflected on your tax bill under the "Abated/Paid" line item. If your prepayment fully covered the amount of taxes due, your amount due will be zero (and will not show if you have additional credits, though they will still be in our system to go toward the next bill). If you still have a remaining balance due after a prepayment, that amount will be reflected under "Total Amount Due."

Please do not hesitate to contact the Tax Collector by phone or email with any questions or concerns regarding the tax bills.

A few public meeting reminders: our Capital Improvements Program Committee (CIPC) will meet on Wednesday, December 1st to finalize their recommendations to the Selectmen for future department capital projects. On Thursday, December 2nd the Board of Selectmen will meet for their regular first Thursday of the month meeting.

Assessor: Our office continues to prepare for all other property updates that can be entered into our system once the tax rate has been set and the tax warrant has been approved by the Board of Selectmen. If your mailing address has changed, please contact us so that we can update our records, prior to issuance of the tax warrant.

Whitney Consulting Group (WCG) is working on completing the 2021 phase of the cyclical inspections. Their field staff will be working throughout town through the end of the year. All their field staff will have a photo identification badge and a letter from the Town Assessor.

As always, if property owners have any questions or concerns regarding assessing, please do not hesitate to contact the Assessor's Office, Monday through Friday 7:30am to 4:00pm, 603-476-2347 or email assessing@moultonboroughnh.gov.
