DATE: March 15, 2022

Assessing: Our office is currently verifying exemption and credit qualifications to ensure that the recipients qualifications status has not changed, and our records are accurate and in compliance with State laws and rules. *It is important for recipients to return their responses to these letters, so that they do not disrupt or lose their exemptions/credits.* We also continue to work on reviewing all new construction and building permits, in preparation for the 2022 tax year permit inspections.

Our tax mapping contractor has updated the majority of the land use changes that occurred during the 2021 tax year. We are in the process of reviewing these map updates and will continue to make updates for any new changes, up until the start of the new tax year, April 1, 2022.

Whitney Consulting Group (WCG) continues to work on completing cyclical inspections. Their field staff will be working throughout town. All their field staff will have a photo identification badge and an introduction letter, on town letterhead, from the Town Assessor.
