***Re: Remote-Control Key Fob, 929 Whittier Highway, Moultonborough, NH, Tax Map 52 Lot 18.1***

Dear Mr. Casey:

At their regular meeting held on Wednesday, January 25, 2017, the Planning Board approved a motion to strike the condition requiring a remote-control key fob activation device only (from line 3, section 3.e) for the Rectangular Rapid Flashing Beacon contained in their Notice of Decision dated December 10, 2015 for the site plan approval for Zaremba Program Development, LLC, on behalf of Dollar General because of its unenforceability due to State and Federal regulations.

If you have questions or comments in this matter, please contact me at 603-476-2347.

Yours truly,

for Gerald I. Coogan  
Interim Town Planner
