Dear Ms. Steriti,

At the regular meeting of the Planning Board on August 22, 2018, the Planning Board voted on a motion that there was no need for your proposed Winter Farmers Market use as described in your verbal presentation to the Board to be reviewed or approved by the Planning Board in accordance with the Moultonborough Site Plan Review Regulations. The Planning Board did however require that notice be provided to the Moultonborough Police and Fire Departments and that this proposed use shall be subject to any requirements placed upon it. The motion was adopted unanimously.

The Planning Board will provide a copy of this notice to the Moultonborough Police and Fire Departments as per the provisions of the motion.

Respectfully,
