

Director's Report RAB 6/10/2019

Special Events: The partnership with the Castle in the Clouds continues to be a "win-win" for both entities in providing quality special events. The Starlight Hike, held on January 19th was attended by approximately 70 people. The Sunset Hike originally scheduled for May 10th was moved to the following evening, May 11th and had over 75 people in attendance. The next event is very exciting as we will be holding a Family Campout June 21st to June 22nd. The event is "sold out" with over 40 sites reserved. Family Fun Day is scheduled for Saturday August 10th.

We had 80 dads and daughters enjoy the Father-Daughter Dance on February 15th 56 in attendance enjoying a variety of sport activities and a pasta dinner.

The big news is that we received our bus on February 13th. Town staff either have, or will be, obtaining their CDL with a passenger endorsement. We ran our first adult trip in the new bus on June 13th with a Mystery Trip – to see the lupines, enjoy Polly's Pancakes, a trip to a country store and a visit at the Robert Frost Farm.

The next trip will be on Friday July 12th to Boothbay Harbor to enjoy the Cabbage Island Clambakes

We have planned a series of "Granite Getaways" for late summer – an "adventure club" for moderately active adults, with trips scheduled to some out of the way/little known attractions in New Hampshire. The program requires a modest registration fee and the cost of the trip.

We continue to host Mah Jong and bridge groups at the Recreation Dept.

Fitness with a Difference gets underway next Tuesday, June 18th. We will again offer private adult tennis lessons as well as "Intro to Tennis" Clinic on July 8th and a "Hone Your Skills" Clinic on July 22nd. Edith's Tournament will be held on Saturday August 3rd.

Youth Sports: We had 100 boys and girls in grades k-6th grade participate in our youth basketball program. Teams in grades 3-4 and 5-6 played games against Meredith, and Carroll County teams. 21 boys and girls in 5-6 chose to participate on our tournament teams and participated in the Carroll County Tournament. The girl's team advanced to the championship and ended up as the Runner's Up the boy's team came in third place.

Tee-ball and softball wrapped up for the season last weekend. We had 32 participate in tee ball and 30 in grade 2-3 and 4-6 grade softball. After having only one win through the regular season, our 4-6 grade team participated in the Carroll County Tournament and won their first two games before being eliminated. This year we added an additional tee ball program, called "High Five Tee Ball" for 5 year olds and had 7 children participate.

The annual States Landing Clean Up Green Up Day was held this past Saturday with approximately 25 people volunteering. An update of the project was provided by Walter Johnson. The dredging and boat launch reconstruction are in the bid process now with anticipated work beginning in October when the lake level is low.

CIP requests for the next round include continuing to deposit in the Capital Reserve Funds for the Pathway Project and States Landing Project; Phase II of the Ice Rink project and a request for a building for the Recreation Dept.
