Monday June 29, 2020

Moderator Paul Punturieri called the meeting to order at 6:30 PM at the Moultonborough Academy, followed by the Pledge of Allegiance. The Moderator then made his announcements which included an explanation of the rules of the meeting; this included the four-alternate seating arrangements for voters to occupy while maintaining safe social distancing. The alternate seating included the Music Room, Gymnasium, Cafeteria and Library, with the fifth and main forum being the auditorium. The Moderator then introduced those seated on stage as: Town Attorney Shawn Tanguay, Town Clerk Barbara Wakefield, Selectmen James Gray, Jean Beadle, Chuck McGee, Chair Kevin Quinlan and Town Administrator Walter Johnson.

Selectman Chair Kevin introduced Richard Stillman as the Town’s new Police Chief.

A motion was made by Jim Hill and seconded by Rick Buckler to wave a second reading of the articles. The motion was voted in the affirmative by a show of voter cards.

Voting began with an explanation by the moderator as to the Board of Selectmen's recommendation to move and vote on Article 6 prior to a vote on Article 5. Town Counsel then explained the rationale for this change in the order of voting is that both Article 5 and 6 relate to the same topic, that is, the approval of, and bonding for, the construction of a community center (Article 5) and, a community center and gymnasium (Article 6). Article 6 requiring the largest bond amount. Due to prior year reaction and results regarding similar Warrant Articles it was felt the voters would be less amenable to Article 6. In addition, Counsel advised that if both articles passed, the Dept of Revenue Administration might count the cost of both projects twice, with the affect being an unanticipated negative to the tax rate.

After considerable discussion, the vote was held to call Article 6 prior to Article 5 with the moderator citing the vote count from all five venues.

This was voted in the affirmative by a show of voter cards.

ARTICLE 6

To see if the Town will vote to raise and appropriate the sum of Six Million Seven Hundred Twenty Thousand Dollars (\$6,720,000) for the design, engineering, construction and equipping of a Community Center (defined here as "A place where community members of all ages can meet for social, educational and recreational activities". Building will include storage and a full gymnasium) and certain outdoor improvements to the surrounding grounds, contingencies and all other costs associated with the project to be built on land to be acquired from the Moultonborough School District Map 66, Lot 7 and a portion of adjacent Town owned property known as the former Adele Taylor property, Map 52, Lot 14, and for the expenses related to the issuance of municipal bonds and notes, and to authorize the issuance of bonds or notes in an amount not to exceed Five Million Seven Hundred Twenty Thousand Dollars (\$5,720,000), in accordance with the Municipal Finance Act RSA Chapter 33, to authorize the Select Board to apply for and obtain and accept Federal, State, other such aid and/or donations that may be available for said project and to use such funds to reduce the amount of bonds or notes issued for said project; to authorize the Select Board to issue and negotiate such bonds or notes and to determine the rate of interest, maturity and other terms thereon; and to authorize the Select Board to take any other action relative thereto, and further to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000) for the first year payments on such bonds or notes, said amount to come from the Unassigned Fund Balance as of December 31, 2019. The total appropriation of Six Million Seven Hundred Twenty Thousand Dollars (\$6,720,000) would be met by withdrawing Three Hundred Thousand Dollars (\$300,000) from the Unassigned Fund Balance as of December 31, 2019, and withdrawing Seven Hundred Thousand Dollars (\$700,000) from the Municipal Building Capital Reserve Fund as of December 31, 2019. (2/3 ballot vote required). The vote on this Article shall be by ballot and the polls shall remain open for not less than one hour following completion of discussion on this Article. This article is by petition.

(Not Recommended by Selectmen 5 Yes 0 No)

(Not Recommended by Advisory Budget Committee 4 Yes 0 No)

A motion to adjourn the meeting until another date and time was made by Susan Price and seconded by Don McGillicuddy. The moderator overruled the motion to continue the meeting as the call for the vote on Article 6 had already been made with a yet complete vote count having been tallied due to the need for five venues to facilitate the meeting. A point of order was then called by Susan Price to override the Moderator to discuss the continuation of the meeting. After discussion a vote on overruling the moderator was held. The moderator tallied the show of voter cards from the five venues with the result being a defeat of the motion to overrule.

Article 6 was then moved by Kim Johnson and seconded by Charlie Fritz.

After a lengthy discussion a motion was made by Joe Cormier and seconded by Elizabeth Tuttle to call the question.

This motion was voted in the affirmative by show of voter cards.

The vote on Article 6 was by ballot with a one-hour voting period and requiring a 2/3rds majority.

Article 6 was defeated by a ballot vote; YES – 253 NO – 237

To See if the Town will vote to call upon our State and Federal Elected representatives to enact carbon-pricing legislation to protect New Hampshire from the costs and environmental risks of continued climate inaction. To protect households, we support a carbon Fee and Dividend approach that charges fossil fuel producers for their carbon pollution and rebates the money collected to all residents on an equal basis. Enacting a Carbon Cash-Back program decreases long-term fossil-fuel dependence, aids in the economic transition for energy consumers, and keeps local energy dollars in New Hampshire's economy. Carbon Cash-Back has been championed by US economists (Jan 17, 2019 WSJ) as the most effective and fair way to deliver rapid reductions in harmful carbon emissions at the scale required for our safety. We expect our representatives to lead in this critical moment for the health and well-being of our citizens and for the protection of New Hampshire's natural resources upon which we all rely. The record of the vote approving this article shall be transmitted by written notice to Moultonborough's State Legislators, to the Governor of New Hampshire, to Moultonborough's Congressional Delegation, and to the President of the United States, informing them of the instructions from their constituents, by Moultonborough's Select Board, within 30 days of this vote.
