

PASSING IT ON:

Generational Property Transfer

Are you concerned about the future of your family's cottage, camp, summer house or farm property?

Join us for a detailed and thoughtful discussion for property owners seeking to ensure the places they love will become part of a family legacy that will be enjoyed for generations to come.

A panel of area property owners will discuss their own challenges, limitations, and triumphs in dealing with this important issue. Various strategies such as Limited Liability Corporations, Family Compound Trusts, Rights of First Refusal and Conservation and/or Preservation Easements will be discussed. Attendees are encouraged to join in the conversation.

The program is free, but as we are preparing handouts for distribution, attendees are encouraged to call or email to pre-register.

Come and join the discussion!

MONDAY, AUGUST 15, 7–9 PM
MOULTONBOROUGH PUBLIC LIBRARY

Contact the NH Preservation Alliance: 603-224-2281
