*Re: Variance Application of Gallo Retirement Realty Trust, Tax Map 128, Lot 25, 10 Olympia St.*

Dear Mr. Barton:

This letter is formal notification to you that at their regular meeting held on September 7, 2016, the Zoning Board of Adjustment considered your Variance Application seeking relief from the Moultonborough Zoning Ordinance, Article III.B.3. A Public Hearing was opened on August 3, 2016, and at that hearing it was the decision of the Board to continue the hearing to September 7, 2016 in order for the applicant to provide additional information as requested by the Board. (See attached Minutes)

On September 7, 2016, at the properly noticed continued hearing, the Board reopened the public hearing. At that time there was no one present representing the applicant and no additional information had been submitted prior too or at the continued hearing.

Following a brief discussion, and a poll of the Board was taken, and a motion was made to dismiss the application, without prejudice, therefore closing this request for variance.

If at any point in the future you wish to seek relief for such project, you will be required to begin the process again.

If you have any questions or comments in this matter, please contact me at 476-2347.

Yours truly,

Robert H. Stephens  
Chairman
