**Attention All Businesses, Residents, Clubs and Churches**  
**2024 Adopt a Spot Program**

The Town of Moultonborough is now accepting applications for its 2024 Adopt a Spot beautification program covering public buildings and parks. Additional sites may be assigned if there is sufficient interest expressed. Applicants must plan, plant and maintain these Flower Gardens throughout the entire growing season and pay for those associated costs.

The Town will provide a sign at each spot advertising your business or group. Prizes will be awarded for the 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup> top designs.

If you participated last year, you would have the first right to that same spot. Otherwise, you may request the spot you want on the basis of the time stamp on your returned application, so your response time is important.

Applications are available at the Town Hall at 6 Holland Street – PO Box 139, Moultonborough, NH 03254. Applications must be returned by 2:00 p.m. on May 2, 2024, at which time they will be opened and publicly read aloud. They will be opened in the order in which they were received.

For further information, you may contact Charles F. Smith, Town Administrator at Moultonborough Town Hall, 6 Holland Street, Moultonborough, NH 03254 or 603.476.2347 or [csmith@moultonboroughnh.gov](mailto:csmith@moultonboroughnh.gov).

I understand that if awarded a spot and do not complete the program requirements (planting submission) I will forfeit my application. I also understand that if the spot is not well maintained throughout the growing season that, after having first been given at least one notice to improve it, the sign bearing my name giving me credit for adopting the spot will be removed.
