

Town Of Moultonborough

Recreation Facilities & Amenities

Recreation Department Offices & Community Center

The Moultonborough Recreation Department offices and Community Center are located at 10 Holland Street. The Community Center is also used for meetings and activities for the Recreation Department and other groups.

Parks and Playgrounds

Kraime Meadow Park on Playground Drive:

Kraime Meadow Park includes playgrounds, tennis courts, a basketball court, pickleball courts, a softball field, a soccer field, sand volleyball court, an ice rink (in winter), and Bocce courts. There are two pavilions located at the park. Composting restrooms with wash stations are in the upper pavilion near the parking lot. There is plenty of public parking in the lot at Kraime Meadow Park and permits are not required. Vehicles are not permitted within the park area. The gates are to be clear of vehicles at all times. Please remember our designated handicap spaces are reserved for that purpose and therefore require a handicap sticker or plate.

Certain areas of the park may be reserved by the Recreation Department for various programs and events. Specific times and area reservations will be posted on the message board by the stairs.

Tennis courts are available on a first come first serve basis. Court time is limited to one hour when people are waiting. Courts are reserved by the Recreation Dept. for lessons, tournaments and organized activities approved by the Recreation Department. These days and times will be posted in the sign board at the entrance to the courts. Please observe the rules of tennis etiquette: Proper footwear & shirts are required on the tennis courts. To protect the court surfaces - roller blades, bicycles and skateboards are not permitted on the courts.

Pickleball Courts have been established on the Basketball court. Tennis court #4 is also lined for Pickleball. One sport does not take precedence over the other on either court. If other parties are waiting to play, court time is limited to one hour. The Courts are reserved for the Recreation Department Pickleball Program at designated times. See page 10 for details. Roller blades, bicycles, and skateboards are not permitted on the Basketball/Pickleball court.

Other Parks and Facilities

Sutherland Park: Located on Route 25 overlooking Berry Pond. This is a park dedicated to low impact, passive recreation with places for quiet reflection and observing nature. There are picnic tables and a short walking trail along the water. There is also kayak and canoe access to Berry Pond at this park. No parking permits required.

The Point at Long Island: Located at Long Island Beach, the Point was developed as a low impact passive recreation area. There are picnic tables, benches, nature walks, beautiful vistas, and spots for quiet reflection to observe native species – including the rare, black gum tree. This space is an environmentally sensitive area. **Current resident beach/landfill parking permits are required Memorial Day thru Labor Day.**

Moultonborough Function Hall & Gazebo: Located on Old Rte. 109, the Moultonborough Senior Meals operates out of this building. Congregate/sit down meals take place here. The building is equipped with a commercial kitchen, small stage, tables & chairs, and plenty of green space outside. The Gazebo is the home of our outdoor Summer Concert Series on Wednesday evenings throughout the summer months. The venue is a perfect choice to rent for your celebration. The rental agreement can be found on our website at www.moultonboroughnh.gov/recreation-department

Ken Kasarjian Community Garden. Also, located on the grounds at the function hall. Plots are 20' x 30' and come "ready to plant". Plots are \$60 for the planting season. For information on how to rent a plot, or for an application, visit Town Hall or call: 603-476-2347.

Beaches

The town operates two beaches:

Long Island Beach is located at the end of Moultonborough Neck Road – on the right, after the bridge. **State's Landing Beach** is located at the end of States Landing Road off Route 109. This multi-phased project is still in progress. However, recent landscaping and dredging has made the beach a beautiful place to spend the day.

At both beaches, lifeguard coverage typically begins in mid-June and runs through mid-August. During the season, guard coverage is dependent upon the weather and guard availability. Patrons, at either beach, should observe posted signs indicating when guards are not on duty. No matter whether guards are on duty or not, adults are expected to watch the children in their care at all times. Air mattresses, rubber rafts, boats, "floaties", water wings, swim bubbles, inner-tubes, inflatable balls or other toys, and snorkels are not permitted at either beach. There are NO PETS or alcoholic beverages allowed at either beach! These restrictions are for the safety & comfort of all our swimmers and patrons.

Parking at both beaches require Moultonborough Town Beach Parking Permits, which can be purchased during normal business hours at the Moultonborough Town Hall.

Boat Launch Facilities

The Town of Moultonborough offers three boat launches: There are NO lifeguards on duty at any of the boat launch facilities.

Lee's Mills: Located at the end of Lee's Mills Rd. This is an environmentally sensitive area, as its neighbors are the Loon Center and land owned by the Audubon Society. Public docks are available (2-hour limit). Resident Parking Permits are required. This area is not operated as a swim area.

Long Island: Public docks are available (2-hour limit) across from the beach. Resident Parking Permits are required. No boat trailer parking is permitted at the facility. Trailers must be parked at the Moultonborough Neck Fire Station.

States Landing: At the end of States Landing Road. Resident Parking Permits are required.
