## Just In Case Program

The **Just In Case Program** is a town-wide registry of patients diagnosed with Alzheimer's disease and other dementia related disorders. As the name might suggest, the **Just In Case Program** functions as an emergency tool in the event that an individual wanders and becomes lost or disoriented. The Town of Moultonborough Police Department employees may then refer to the **Just In Case Program** database for easy identification in order to provide the quick and safe return of that individual.

The program consists of a digital photo of the individual, along with personal information. Emergency contact information is obtained and any pertinent medical information.

Family, friends, and caregivers interested in registering someone in the **Just In Case Program** with the Moultonborough Police Department may do so in person at:

1035 Whitter Highway  
Moultonborough, NH 03254

or via email to Administrative Assistant Heather Chastain at  
[mpdadminassist@moultonboroughnh.gov](mailto:mpdadminassist@moultonboroughnh.gov).

For more information, please feel free to give us a call at (603) 476-2400.

Sincerely,
