## **Moultonborough Survey On Natural Hazards Now Open**

The Town of Moultonborough is in the midst of preparing an update of its Hazard Mitigation Plan and is soliciting citizen input. The five question survey takes less than five minutes to complete and will help enhance our final report by reflecting your views. This report is one element of keeping the Town eligible for reimbursement for the reimbursement of costs the Town might incur in dealing with events that the Federal Emergency Management Agency (FEMA) declares to be “disasters”.

The survey is at <https://arcg.is/0ffqLC0>
