Policy Statement # 31

Internet Intent & Implementation

1.) **Authority:**

In accordance with RSA 31:39 and its role as the Governing Body, the SelectBoard (the “Board”) has the authority to adopt ordinances and statements of policy to order its prudential affairs and guide the administrative functions of the corporate body politic of the Town of Moultonborough.

2.) **Purpose & Application:**

This purpose of this policy is to describe the Town’s intent for maintaining a presence on the internet and prescribe how the Town will manage its internet web site(s) (collectively the “site”), publish information on the site, deal with information submitted by others for publishing, retain information published, link to the web site(s) of others, and allow others to link to the Town’s site.

The policy shall apply to the Town’s main site and those maintained by its various departments as “stand-alone” sites (e.g. fire and police).

3.) **Administration:**

This policy shall be administered by the Town Administrator, or his designee, on behalf of the Town of Moultonborough (the “Town”) who shall submit an annual report to the Board on the use and activity of the site (e.g. “hits” and major development issues). All inquiries and complaints should be directed to him at:

Moultonborough Town Administrator
PO Box 139 – 6 Holland Street
Moultonborough, NH 03254

He shall be assisted by the Administration Office Secretary as the primary party with responsibility of web-site maintenance and the training of all other personnel who use the web site. He may designate such other staff as he deems necessary within other operating units of the Town to be directly responsible for their units (e.g. Development Services) and the boards and committees their unit supports (i.e. Conservation, Heritage, Capital Improvements, etc.). Only the staff so authorized may publish materials upon the web site.

4.) **Definitions:**

Whenever the male gender is used it shall be deemed to refer to the female gender and vice-versa.

Commercial: Advertising and promotional material, including any program disguised as a so-called “Infomercial”, designed to promote the sale of commercial products or services by telling about, promoting or praising a product, service, or business, in such a manner as to make people want to buy; as intentionally showing business or product names, logos, or symbols as promotion; as having the intent to make a profit as a result thereof.
Electioneering: A communication, activity, or distribution of a handbill or flier designed or intended to influence the vote of a voter on any question or office, or in any manner to expressly advocate the election or defeat of a candidate or passage or defeat of an issue or to promote or advance one candidate, issue, or position over another or to raise funds toward such purposes.

Issue: A program whose primary purpose is to discuss the activities of an elected or appointed person or entity and the matters before them or a balanced view of a matter proposed for, or subject to, a ballot vote.

Official: Relating to the performance of one’s appointed or elected position or the administration or management of an entity, whether paid for by government or private funds, where the primary purposes is to inform the public as to the ongoing activities for the person or entity, solicit public opinion and communication, and provide constituent services.

Violence: Extreme acts of violence against people, animals or property; or depictions of extreme violent acts in dramatic and/or poetic manners.

5) **Policy:**

a.) **Intent:**

The Town’s site is intended to be a vital component in its efforts to distribute information to the public at large about the Town’s activities, services, decision making process, decisions and resulting ordinances, policies and regulations. The site should act as a means for our many residents and visitors to readily obtain information, and submit service requests, comments, and applications at a time and a manner most convenient to them. The site should promote a positive community image through a general recognition of the quality of life, services, and activities within the community. The site should be as complete as may be technically possible and the users desire while the “build out” and the quantity and type of documents being posted must bear a meaningful relationship to the intent of this policy and the corresponding benefit must justify the staff time consumed.

The Town does not intend the site to create a forum or other means for the public to advocate an opinion or exchange the same on issues of local interest (i.e. a “blog”) and the Town retains total and absolute editorial control over its site.

Any information on a “stand alone” site which may be considered to be of information of general interest to the public at large (e.g. events, registrations, meetings, cancellations, etc.) must also be presented upon the Town’s main site.

Notwithstanding that the Town may link to an outside site, it will not directly publish any material on its site unless such material is considered to be an official communication of the Town or where the Town has sponsored or co-sponsored the publication of the material as an official action.
b.) Copyright and Trademarks:

The Town will declare and defend a copyright on and retain all intellectual property rights to all items on the site including all text, graphic images and other content excepting that provided to it by third parties. It shall provide attribution for any material it uses from third parties that is similarly copyrighted or trademarked and refer any party seeking to use such material to the original owner. Any use of the materials on the Town’s site without appropriate attribution or without the written permission of the Town is prohibited. The following acts or activities are prohibited without prior written permission from the Town: (a) modification and/or re-use of text, images or other site content; (b) distribution of the Town’s site content as their own; or (c) “mirroring” the Town’s information on a non-town site.

c.) External Links from the Town Site:

The Town, in its sole discretion, may add links to its site which allow its users to access other sites when such a link will further the intent of this policy. Those sites may include, but are not limited to, the following:

- Federal, State and County Government and the official web-site of those elected to represent the Town therein;
- Local and Regional Broadcast, Cable and Print Media;
- Quasi Public Bodies or Corporations chartered by the State or Federal Government (e.g. United States Postal Service, Federal Deposit Insurance Corporation, New Hampshire Bond Bank, New Hampshire Housing Finance Authority);
- Units of Local Government such as the Moultonborough School Administrative Unit #45 or other towns or cities or units thereof;
- Any utility regulated or franchised by the state Public Utilities Commission or the Town which serves the community or portions thereof;
- A commission or agency funded in whole or in part by the Town (i.e. Lakes Region Planning Commission, Lakes Region Mutual Fire Aid Association, etc.);
- A public or professional interest association which the Town, its employees, or officers have joined (i.e. New Hampshire Municipal Association, Government Finance Officers Association, Tax Collectors Association, etc.);
- A not-for-profit corporation to which the Town makes an annual appropriation;
- A not-for-profit corporation or association which is based within the Town and was established to foster the quality of life within the community through service to others, or an understanding and appreciation of the arts, culture, history, or the environment; and

The Town will not link to the following except under circumstances provide for in this section:

- Commercial sites or the sites of other public or private organizations or corporations excepting those that have been retained by the Town, or established a partnership with the Town to help meet its strategic goals (e.g. Adopt A Spot); and
- Electioneering or Political sites excepting those efforts for which the Town has taken an official position of endorsement (e.g. “Donor Town” Tax).
Additional sites the Town will generally not link to include individual or personal home pages or those which:

- Violate the Town’s equal opportunity norms or values, or content contrary to the policies or ordinances of the Town;
- Promote or exhibit hate, bias, or discrimination, or advocate for, illegal drugs or illegal activities;
- Promote any religion or religious viewpoint;
- Make claims or representations in violation of advertising or consumer protection laws or infringe on any trademark, copyright, or patent rights of another;
- Contain libelous slanderous or otherwise defamatory content, generally offensive language, depiction of extreme violence, or obscenity; and
- Contain content that a reasonable citizen may not consider to maintain the dignity and decorum appropriate for government.

The link will contain only the name of the organization or service linked to and a brief description. The Town reserves the right to determine where such external links will appear on its site.

Any site that the Town links to must open to a “home” or “start” page which (a) contains a valid HTML title tag that provides the name of the site or the organization that operates the site and (b) provides readily identifiable contact information including an e-mail or postal address, or telephone number. Any such site may not include a programming feature that “traps” the user and does not allow them to return to the Town’s site by clicking the browser “back” button or clicking on a preinstalled link to come back to the Town’s site.

Those seeking to have a link placed on the Town’s site must submit an application to the Town Administrator, on a form to be designated by him, who will determine if the link would be in keeping with this policy.

The Town Administrator shall develop and implement a plan to periodically monitor the content of the sites to which it links. If the Town finds any site is no longer in conformance with this policy, or it does not maintain current material or present a technically quality site (e.g. out of focus images) it reserves the right to, without notice, remove the link forthwith. Any such third party will thereafter have to make an application for reinstatement together with a one hundred dollar ($100.00) reinstatement fee and satisfactorily demonstrate it is in compliance with this policy.

d.) External Links to Town Site:

The Town will allow other parties to link to the Town’s site without prior written permission provided that it is not a site that this policy would generally prohibit the Town from linking to and is otherwise in conformance with this policy. However, those linking to the Town’s site should understand that content and internal web links may change at any time without notice and the site may be out of service, at any time, for maintenance or unanticipated interruptions.

No party shall link to the Town’s site in a way as to make it appear the Town’s site is an integral part of its site, capture pages within frames, present the Town’s site content as its own, otherwise misrepresent this site’s content or misinform users about the origin or ownership of its content, or imply it has the endorsement of the Town for its services, products or activities.
e.) Activities on the Town Web Calendar:

Postings on the site calendar shall be restricted to official Town activities or those which the Town has officially sponsored.

f.) Retention of Materials Published:

Materials published on the web site, excepting those published in the so-called “Red Banner” which shall be considered a “transitory correspondence” no longer needed for reference (RSA 33-A:3-a, XXV) shall be retained on the site for five years. Information removed thereafter shall be maintained in paper or electronic format until such time – if at all – as it may be disposed of in accordance with the schedule in RSA 33:A:3-a after consultation with the Municipal Records Committee.

g.) Use for Compliance with RSA 91-A & Other Requirements:

To the extent consistent with statute and Town policy or ordinance, the site shall be used as one of the posting locations for compliance with the posting requirement for public notices for meetings, public hearings, bidding, employment and the like. In the event of any cancellation or change in the posting of such a meeting or event, it shall be the responsibility of the party who initially posted it or asked for it to be posted to take appropriate action so that the public is notified of the change in a timely manner.

The minutes of all Boards and Committee meetings shall be posted on the website as well. In order to maximize public access to those minutes, while minimizing the amount of staff time expended on such effort, all units are to post the Draft minutes of their meetings on the site within the time period that they must be “…open for public inspection…” as established in RSA 91-A. Such minutes shall bear a Draft watermark across their face. Each location on the website where minutes are posted shall bear an advisory that the minutes are considered Draft until such time as they are approved by the respective body. The notice shall advise users that the subsequent meeting of the body will show the Draft as approved together with any amendments thereto and that “Final” minutes will be maintained in paper form in the offices of the respective body to which they relate. The staff will not remove the Draft minutes to repost the Final minutes.

h.) Third Party Endorsements, Releases & Notices:

Adding a link from the Town’s site to other sites, when deemed appropriate to furthering the intent of this policy, does not constitute an endorsement or approval of that third party’s service or activities.

Some of the material on the Town’s site may have been generated by third parties who have granted the Town permission to use it. Those parties retain ownership of the material. Persons seeking to use or modify those materials including, but not limited to, icons, graphics, and general content will need to contact the owner of such materials directly. The Town will not act on their behalf to seek such permission.

Web sites the Town may link to are not controlled, maintained or otherwise regulated by the Town. The Town is not responsible for the content of those web sites. Visitors to those sites use the information voluntarily at their own risk and must conduct their own due diligence.
appropriate to the use of any such materials. Visitors to external sites linked from the Town’s site are advised to contact the operators of those sites with any questions about accuracy, copyright compliance, legality, security, privacy or right to reproduce or otherwise use their materials, including graphics and logos, thereon.

In keeping with industry standards we will record the following information about users:
  - The Internet domain and/or IP address from which users access our site;
  - The type of browser and operating system used to access our site;

Any related personal and/or payment information transmitted may only be collected, processed and disclosed to complete an online transaction and for record-keeping for such activities as billing, permits, licenses and other business-related purposes.
- Respond to a user's request for information or a user’s submission of information, or to complete an online application transaction. In receiving such personal information as is commonly contained in an e-mail or filling out and submitting an application or other online form, the Town may use that information to respond to the user. Any such information is treated by law the same as if it had been submitted by any other method of delivery.
- Inform the general public, through data in bulk aggregate form, of our annual activities or perform any other such action in fulfillment of this policy.

j.) Site Security & Technology:

The Town will use, and require of any associated vendors, state of the art encryption technology, browser cookies, and the like. The Town will display, and require the same of any associated vendors, visible indicators of active encryption technology and take all reasonable precautions to safeguard the confidentiality of information. If any data transmitted to the Town, or its associated vendors, or stored data is disrupted or corrupted by any third party, it shall forthwith
issue the appropriate public notice and contact the individuals whose data is involved to so notify them.

The Town's site may transfer information to the computer of a user through cookies or other technology. The Town recognizes that some users may prefer to modify their computer settings to refuse such cookies and will not accept any responsibility for diminished usefulness of our web site if a user does so.

k.) Disclaimer:

The Town reserves the right to revise this Policy without prior notice when it is deemed to be in its best interests.

The Town will make every attempt to ensure the information on its site is accurate and up to date. Relying upon materials contained thereon is at the sole risk of the user. Persons needing official, final, or “certified” copies of documents for legal or other transactions must obtain those directly from authorized Town agents as provided for in RSA 91-A and Town policy.

The Town recognizes that, even with our best efforts to protect the confidentiality of user information and the information we display, it is not always possible to avoid human error or prevent unauthorized access to, unauthorized disclosure of, or disruption or corruption of data. The Town, in the event of unauthorized access, unauthorized disclosure, third party intervention, or when any loss occurs due to error, omission, or inaccurate information being displayed on the site, reserves the right to recover any expenses it incurred, unpaid fees or taxes owed to it.

m.) **Indemnification:**

In using the Town’s site, users shall agree to indemnify and save harmless the Town of Moultonborough, its employees, officers, successors and assigns from any and all claims and causes of action arising out of their use of the site, including the payment of any and all damages awarded as a result thereof and the payment of legal costs including attorney fees, by the user or any third party in connection with their use of the site, materials contained thereon, or materials obtained from a third party site.

n.) **Complaints:**

The Town will acknowledge the receipt of any complaint from a person with respect to material contained on the site or links established thereon. The Town will conclude its review of the complaint and advise the complainant within 45 days of receipt of the complaint including their right to appeal if they are aggrieved by the decision. 7.) **Appeals:**

Any party aggrieved by the decision of the Town Administrator including, but not limited to, a refusal to grant permission to re-use site material, grant a web link, or post the number or type of documents being requested, may appeal the matter to the Board, on a form to be designated by the Town Administrator, together with any and all materials that would be submitted at an appeal hearing, within fourteen days of having been notified of said decision. Such Appeal shall be placed upon the agenda of the next regular business meeting of the Board, for which the Agenda remains open, where the Board will consider the matter and determine whether or not to have a formal hearing. The timetable after that shall be as established by the Board and its decision in any such matter shall be final.
8.) **Evasion of This Policy:**

The intent of this policy is to guide the staff in developing and maintaining the Town web site. It shall be a violation of this policy, and a disciplinary offense, for staff to act in any manner other than prescribed herein.

9.) **Periodic Review and Revisions:**

Annually, at the time of goal setting for the budget, the Town Administrator shall review this policy with staff to determine how effectively it is meeting its purpose. Suggested revisions shall be submitted to the Board for consideration and adoption with the annual budget message submitted by the Town Administrator.
