March 23, 2020

As a result of the COVID-19 pandemic, effective Wednesday, March 18, 2020, the Moultonborough Select Board closed all town offices and buildings to public access except by appointment for the foreseeable future. As a result of the closure there is no public physical location to hold a public meeting or hearing at the Town Hall for the Land Use Boards.

The Chairs of each Land Use Board have determined that COVID-19 merits the qualification as an “emergency” and therefore have cancelled the Planning Board meeting of March 25, 2020 and the Zoning Board of Adjustment meeting of April 1, 2020 and will most likely cancel future meetings for the foreseeable future (with public notice) until a time when risk of infection has passed. The statutory timeline clocks for action by a Land Use Board on any application has been suspended due to the cancellation of meetings because of the State of Emergency but will begin when future meetings resume.

Once this State of Emergency has passed and scheduled meetings resume, hearings will be placed on the docket in the order in which they were received by the Land Use Department.

Sincerely,

Bruce W. Woodruff
Interim Town Planner
