Music & Movement

Totally for Toddlers

Thursdays, April 5 - May 17
10:00-11:00am

at Moultonborough Recreation Dept.
Join us on an adventure and discover the world of music with your toddler. Each week we will engage in about 30 minutes of guided activities with fun themes. Then, everyone will have a chance to explore on their own, using their imaginations to make up games, songs & dances.

Health Tip:

Start a New Hobby-

Everyone has something they've always wanted to learn or try like yoga, cooking, kickboxing, etc. Spring is a fresh start to feeling energized & ready for something new. Many places offer a free first class, so make sure to call and ask about that.

Starting a new hobby is a great spring healthy tip because it will increase happiness, which decreases stress and risk for high blood pressure.

Doing activities even twice a week that make you excited and happy can make a big difference in your life, both mentally and physically.

Spring is also the perfect time to replace the batteries in your smoke detectors!
