- Regular season and practices run from May 2 – June 6.
- Weather: Cancellations & reminders will be made through the text notification system or directly from your child’s coach. Email or text is easier for coaches.
- No jewelry is allowed. No plastic, metal or hard material should be worn in the hair. Athletes will not play or practice with any form of jewelry - with exception of medical condition indicator – which must be taped before the game or practice. Earrings must be removed for practices & games- this is a safety issue.

Instructional League (2nd & 3rd): Teams will meet 2 times per week, one of those being Saturday at the Kraine Meadow Park Ball Field from 12:00pm – 1:00pm. The other will be mid-week- determined by the coaches. The season will kick off on Saturday, May 2. The last day of the season will be on June 6. The emphasis will be on learning the fundamental skills of the game. Coaches will pitch to the players. Expect to possibly travel to other towns for some games. MRD does NOT provide transportation.

Major League (4th, 5th, & 6th): Teams will practice 1 or 2 times per week. Games could be any day of the week, starting the first week of May, against surrounding Carroll County Towns. Travel to these towns will be necessary, and MRD does NOT provide transportation. Feel free to carpool. Games are more competitive, and the major focus is on gaining experience and developing fundamental skills. Players will pitch. Note: This game level requires greater skill, is faster and is more aggressive than the Instructional league. Sliding may be introduced. The Carroll County Tournament is an all-day event and usually takes place early June and is usually hosted by Tamworth. More information to come.

Instead of clinics, the first meetings will be used as indoor practices:
